Category	Drills – Multiple Spindle		
Manufacturer	Allen		
Model	MAV Series 3		
Serial Number	33758		
Year	1971		
Table Width	21.25 in	539.75 mm	
Table Length	46.25 in	1174.75 mm	
Number of Spindles	3		
Spindle Speed	Variable, 200 – 2400 RPM		
Spindle Taper	#3 MT		
Spindle Power Per Head	2.00 HP	1.49 kW	
Spindle Center Line to Center Line of all Spindles	12.50 in	317.50 mm	
Spindle Travels	6.00 in	152.40 mm	
Swing Capacity	24.00 in	609.60 mm	
Face of Column to Center of Spindle	12.00 in	304.80 mm	
Travel of Each Head on Dovetail Ways	17.00 in	431.80 mm	
Travel of Table on Ways	14.00 in	355.60 mm	
Coolant	Yes		
Additional	Equipped with start/stop control station, left head has auto feed, center head for drilling/tapping, right head has hand operated feed, coolant pump in base, electrical controls, T-slotted table		
Power	3 Phase, 60 Hz, 220/440 Volt		
Condition	Excellent
